QUORUM:

Ms. McCord called the meeting to order at 5:00 p.m. and determined there was a quorum with at least one member of the minority party being present.

WELCOME GUESTS:

Amy Sullivan, Stephen Feryus, Maggie Mundle, Virginia Green, and Rich Siejack from the staff were present for the meeting. Cassandra Beverley, Carol Bruce, Lee Mundle, Phil Hunter, Jim Thornton, Adam Nybczyuso, Mustafa Sidia, Janis Katsu, Jason Fontelieu, Jacob Bennett, Josh Koziol, and Kayla Mariskanish were also in attendance.

Mr. Thornton had requested to address the board and was granted two minutes to speak. Mr. Thornton spoke as a private citizen explaining the process of the current text and map from the Council. He stated that this was sloppy work from the Council. He cited a letter from February 24, 2022, that expressed regret that the text and map did not match but it is the map and not the text that is the representation of the Council. Mr. Thornton requested the Board of Elections to consider that only a letter came from the County Council President, but no meeting occurred. Mr. Thornton was unable to finish his comments due to his two-minute time limit.

BOARD ATTORNEY’S REPORT:

Mr. Young discussed two letters he addressed to Ms. McCord dated March 1, 2022, and March 2, 2022, regarding the 2022 Harford County Redistricting of Councilmanic Districts. He went over the timeline beginning with the BOE being tasked with the implementation of redistricting, reviewing the statute, and realizing that the map and text differed. The staff then prepared a chart with discrepancies (Memo- Issues Discovered in Bill No. 21-025 As Amended) and Mr.

Young prepared maps to show the issues. Mr. Young proceeded by explaining there are many redistricting cases but none such as this. He introduced a letter from Ms. McCord, President, Harford County Board of Elections, to County Council President Patrick Vincenti on February 24, 2022, requesting clarification and any corrections to assist in implementing the map. Mr. Vincenti replied February 24, 2022 with a letter explaining that the map, and not the text creates the boundaries of the Council districts. Mr. Young described the mechanism used by the Council, www.davesredistricting.org. He also introduced a series of emails from the County Council regarding the implementation of the map between the Council and the Harford County Department of Planning and Zoning. Mr. Young said changes were made to the map and these changes shows the Council intended the map to be what they expressed.

Mr. Richardson asked Mr. Young to discuss the letter from April Ishak, Attorney for the City of Havre de Grace. Mr. Young explained that the map is not an attachment but rather an integral part of the bill.

Mr. Campbell asked if there was a way for the Council to correct the text error. Mr. Young explained the Council cannot make an amendment after the map has been approved.

Mr. Campbell also asked if this would absolve any lawsuit against the BOE. Mr. Young expressed that the BOE has done its due diligence and that all bases have been covered.

Mr. Richardson made a motion for the Board to use the map as drawn and Mr. Price seconded the motion. All members were in favor.

CONFIRMATION OF NEXT MEETING:

The next meeting will be held on March 23, 2022, at 5:00 p.m.

Khrystyna Bedarek, Peggy Hart, and Madison Varvaris were sworn in by Ms. McCord.

ADDITIONS OR CHANGES TO THE AGENDA:

There were no additions or changes to the agenda.

ELECTION OFFICE REPORT:

Ms. Taylor gave the Administration update. Discussion was as follows:

Ms. Taylor added that Evan Newcomb and Sarah Mohan were working with Amazon Web Services (AWS) on migrating the website. She announced today at 1:10pm the office was live on .gov. We are still in the testing phase and have not linked to the .info site yet.

Ms. Taylor gave the Staff update. Discussion was as follows:

Ms. Taylor added she reposted the Temporary Election Clerk position with the County. The 1-year knowledge of Election Law was removed from this post. Ms. Taylor felt it limited potential candidates during the last posting of the position and is not necessary for this position.

Mr. Wall gave the Election Operations update. Discussion was as follows:

Mr. Wall added the inventory was 98% complete and the pollbook printers have arrived at SBE but no delivery date has been set.

Ms. Slusar gave the Polling Place update. Discussion was as follows:

Mr. Richardson asked for clarification on the difference between a precinct and a vote center and Ms. Slusar explained the difference.

Ms. Sisler gave the Election Judge update. Discussion was as follows:

Ms. Sisler added they receive emails and calls daily with judges removing themselves from the election. She also stated the Meet & Greet classes scheduled for March had 25 applicants as of today.

Ms. Taylor gave the Redistricting update. Discussion was as follows:

Ms. Taylor explained there was talk of moving the Primary to July.

Ms. Taylor also expanded on the revelation of errors between the language of the Harford County Bill No. 21-025 and the Councilmanic map. These discoveries were made by Justin Wall and Richard Siejack while reviewing the new changes. She explained we cannot have an isolated precinct surrounded by other Councilmanic Districts. The current map contains two of them.

Ms. Taylor said the County has an employee who can help us with redistricting, starting next week.

Regarding merging precincts, Ms. Taylor explained currently we have 258 ballot styles and redistricting would add an additional 60. Merging precincts would reduce the amount of ballot

styles. Mr. Richardson asked if there was a policy for drawing precinct lines. Ms. Taylor replied the office draws them and the Board approves them. There is no limit on the number of voters per precinct but the location must be convenient for voters. Ms. Taylor said she not prepared at this time to present the proposed merged precincts.

Ms. Sullivan and Mr. Feryus gave the Voter Registration update.

Mr. Feryus gave the Candidate Filing update.

Mr. Siejack gave the Legislative update. Discussion was as follows:

Ms. McCord asked if we could canvass during Early Voting and Mr. Siejack replied that we cannot. We canvassed prior to Early Voting during the last election.

Mr. Richardson asked about the Election Judge Minimum Pay Bill. Ms. Taylor said the minimum requested is \$200 but our office pays more.

Ms. Taylor gave the Outreach update.

BOARD ATTORNEY'S REPORT:

Mr. Young explained a Campaign Chairman can be a candidate as long as they do not participate in the campaign. He said there is a fine line between Campaign Manager and Campaign Chairman.

Mr. Young explained the discrepancies in the County Council Redistricting Map and the written verbiage. There are several areas where the map and the written language do not match. The question being presented is which one do you go by – the map or the text? There are some areas which have become “islands” surrounded by other districts. This would make the map invalid because the districts are no longer congruent.

Mr. Young stated the County Charter does not say anything regarding this matter. He also questioned if the Legislation intended for the map to control or the language to control. In total there are five areas of contention regarding the map and the text.

The Charter states you have 70 days to pass a map. However, the last action taken on the map was January 4, 2022, the Council passed the map on December 7, 2021, and the effective date is March 8, 2022. It is unknown which date is used to start the 70-day period.

Ms. Sisler asked if the Harford County Board of Elections would have to file a lawsuit and Mr. Young said that could be a possibility.

Mr. Campbell said the problem needs to be resolved to avoid a lawsuit.

Mr. Young stated the Board had a decision to make:

1. Go with the map
2. Go with the text
3. File suit with the County

Mr. Campbell said the Board has an obligation to ask the County to correct the issue. He requested the Board send a letter to the County showing the discrepancies and asking them to fix them. Mr. Campbell suggested the Board label them as “technical errors”.

Mr. Richardson mad a motion for the Board President to send a letter to the Council President and County Executive describing the incongruencies and to ask for clarification and corrections. Mr. Campbell seconded the motion. All members approved this motion.

Mr. Young also noted the Office of Administrative Hearings has postponed the case with Ms. Livingston.

OLD BUSINESS:

There was none to report.

NEW BUSINESS:

Ms. Sullivan presented renewal of 13 confidential voters for approval from the Board. Mr. Richardson asked for clarification regarding what a constituted a confidential and Ms. Sullivan responded. Mr. Price made a motion to accept the 13 confidential voters and Mr. Campbell approved. The four members in attendance approved. Mr. Dykes was via phone and was unable to review the candidates.

CONFIRMATION OF NEXT MEETING:

The next meeting will be held on March 23, 2022, at 5 p.m.

MEMBERS TIME:

Mr. Richardson wanted to verify all donations were to be reported after the donations were made. Ms. McCord explained the process.

CLOSED SESSION:

There was no closed session.

ADJOURNMENT:

Mr. Richardson made a motion to adjourn the meeting and Mr. Price seconded. The meeting adjourned at 6:18 p.m.
