ELECTION BOARD

Allison W. McCord, President  
Joseph N. Price, Vice President  
James C. Richardson, Secretary  
Michael A. Dykes, Member  
Carolyn F. vanRoden, Member

Brian K. Young, Esq., Board Counsel

Ms. McCord requested the questions be put in writing and emailed to the Board. She stated the Board will respond to the questions in writing. She further indicated the question on Mail-in Ballots was previously submitted to the Board and addressed. The question concerning software was a question for the State Board of Elections. Finally, Ms. McCord stated the General Assembly is responsible for the law concerning the use of drop boxes.

Ms. Taylor discussed the case for a Special Election that is pending before the Supreme Court. Oral arguments are scheduled for April 4, 2023. If the office is legally directed to hold a Special Election, it would encompass District F and District F voters only. Ms. Taylor demonstrated where District F is located on the Election map and stated that it contains approximately 34,600 voters. Ms. Taylor said there is a possibility that the race could be added to the presidential ballot in 2024. She stated the difficulty in opening all polling locations due to schools possibly being in session. The office has begun to scout private locations, such as local churches, and a local recreation center.

At this point, Ms. Taylor presented the Smartsheet Timeline for the Possible District F Special Election. She explained that the timeline included the possibility of drop boxes, early voting, and included both a primary and general election. Ms. Taylor stated that the Timeline is currently based on a May 1<sup>st</sup> start date.

Ms. McCord inquired about filing dates and deadlines. Mr. Price asked who made that decision and Mr. Taylor said it would be made by the County Executive. Ms. McCord asked about drop boxes and Ms. Taylor believes that two drop boxes would suffice.

In response to a question from Ms. McCord about Early Voting, Ms. Taylor said the County would make the decision on Early Voting. She also confirmed that there were no local races on the presidential ballot and the State would provide the ballot. Ms. McCord questioned whether Ms. Taylor had spoken with other LBEs that may have held special elections. Ms. Taylor said the County dictates how they want the election to be held. Ms. McCord asked Mr. Young concerning the legal authority and Mr. Young confirmed it would be the County's decision on the procedures for the Special Election.

Ms. McCord asked about the need for Election Judges with less polling places. Ms. Taylor expressed her support for Vote Centers and thought they would be best for voters. She believes 6-8 Vote Centers with large rooms would be sufficient. Ms. McCord asked about advertising information to the voters. Ms. Taylor said the County would be responsible for any advertising. Mr. Dykes asked if the information would be posted on the website and Ms. Taylor answered in the affirmative. Ms. McCord asked about overseas voters. Ms. Taylor explained that UACAVA voters' considerations and deadlines are built into the timeline.

Ms. Taylor explained the ability of the Smartsheet Timeline to forecast additional timelines with various starting dates based on the formulas that have been built into the Smartsheet.
